8_PROPOSAL, 2015, Occidental College, Los Angeles, CA

A 30-50ft Mediterranean Cypress tree planted and anchored into the ground in front of the Johnson Student Center. The live Cypress tree is bent and pulled through an archway at the front of the building. 4-6ft of the tree's top extends through the arch partially occupying the interior of the arcade.

9_PROPOSAL, Lynden Sculpture Garden, Browndeer WI, 2014

Green Bay Packer full size football field stenciled and painted around the sculpture gardens permanent collection.

10_I 'd like to introduce you to a new project I am very excited about working on. It is called Trailer Park Skyline, and it is curated by Amanda Sanfilippo of Fringe Projects of Miami, an Art in Public Places initiative through Miami Dade County.

Rotating a 1969 single wide 60ft long mobile home vertically in a vacant lot downtown Miami, to mimic the forms of the surrounding luxury highrise condos. (more about the ideas below).
